Concerned Citizens for Animals (CCA) is dedicated to reducing the number of unwanted dogs and cats in Upstate South Carolina by providing a program for low-cost spaying and neutering.

- This program is available to anyone, and there is not a limit on the number of applications per household.
- Surgeries are performed for CCA applicants by participating veterinarians from local private practices for a reduced price.
- The fee you pay covers only a portion of the cost to CCA. Donations from individuals who share CCA’s goals are added to your fee to cover the full payment for services.

Breakdown of Responsibilities

CCA's Responsibilities

Upon receipt of your application, payment and self-addressed, stamped envelope, CCA will mail you a Spay/Neuter Certificate redeemable at one of our partner veterinarians during a specified time period for the spaying or neutering of your pet. **Please allow three weeks for processing from the time of receipt of your application.**

Your certificate will show the name, address and phone number for the veterinary clinic where the surgery will be performed. CCA will notify the clinic of your certificate.

Keep in mind that the veterinarian's office may need to limit the number of surgeries performed each month; therefore, there could be a two-month wait or longer before your pet's surgery can be scheduled. **Do not delay in making the appointment for your pet's surgery after you receive the certificate.**

Your Responsibilities

After you receive your certificate, you must contact the veterinary clinic listed on the certificate to make an appointment within the authorized time period.

At the time of the surgery, you must:

- Give the CCA certificate to the clinic.
- Provide written proof of your pet's current vaccinations.
- Pay any additional charges to the clinic. If you are unable to provide proof of vaccinations, your pet will be given the vaccinations and you will be charged by the clinic.

No refunds will be issued for unused or expired certificates, and unused certificates are not transferrable. Your participation in this program is strictly voluntary. CCA assumes no risk for the health of your pet or for the outcome of this surgery. CCA reserves the right to modify or cancel this program at any time. For questions concerning this program, contact CCA at 834.243.4222 and press 1 after the prompt to get the recorded spay/neuter information or leave a message.
